Out of Warranty or Expired Agreement:

A Support and Maintenance Agreements can be purchased outside of the Warranty period or after an existing Support and Maintenance Agreement expires for 50% of the cost of the software products list price. Once the Support and Maintenance Agreement is current, renewals are available at the normal rate of 20% of the products list price.

KEPServerEX version 4.x Support and Maintenance:

Kepware's Support and Maintenance plan is being extended to cover KEPServerEX version 4.x Technical Support. KEPServerEX version 4.x is a legacy software product and is no longer receiving product updates in an effort to focus development resources on the latest KEPServerEX platform and technologies.

KEPServerEX License Unlock Policy:

Kepware requires a Support and Maintenance Agreement to unlock licenses that have previously been unlocked. Please contact a Kepware Account manager for pricing and more information.
